1. OVERVIEW

1.1 CONGRATULATIONS

Congratulations on your selection as a Bundaberg Touch Association Representative Player.

Being selected to represent your Association is something you should feel very proud of achieving.

Your selection carries with it **responsibility**, when you are both on and off the field. It is now up to you to be prepared to work to the best of your ability, not only for yourself, but also for your fellow team players, your Coaches and Manager.

It is important you have a **cooperative and positive attitude and approach**, both on and off the field of play. Any poor behaviour will have a bearing on your possible position in the team. There is more on this matter in section 2. If you have any questions on these matters, please ask your Manager.

*The fun, excitement and memories of your year as a Representative player will stay with you for many years. Your Representative career will only be as rewarding as **YOU** make it, so always aim to give your best and **enjoy yourself** whilst achieving it.*

This **Players Booklet** has been prepared to assist you with information that you need to be aware of. If you have any questions regarding this booklet, please ask you Team Manager or Bundaberg Touch Representative Coordinator for assistance.

4. PLAYING TIME

As a player, you will experience differences in what occurs in games. You should understand that, within the guidelines provided by Bundaberg Touch, coaches have the discretion to manage their team.

At the beginning of the tournament when determining player participation allocations, coaches will equitably allocate game time based on a number of considerations.

Many things will influence “Time on the field” from ability level, opposition, behaviour, fitness, recovery to injuries and the need to rest or an “Attack of nerves”. Coaches are aware of these matters as well as the need to provide players with opportunity. At times these will be a difference in the ability and stages of development of players. These differences may have a bearing on how much time you spend on the field in some case.

The Coach makes the final decision about players game time. As a player, you are able to ask about your performance in a game and you are encouraged to do so.

9 INJURY AND ILLNESS

9.1 INJURIES

Unfortunately, injuries may occur during the season. It is important to make your Team Coach and Manager aware of any injuries you may sustain during training or games as soon as possible. Even if the injury seems only minor, it is best to let them know so precautions can be taken to avoid making the injury worse.

Your Team Manager will complete an 'Accident Report Form' for any injuries sustained during training/games and contact will be made with your parents/guardian informing them of the injury. Your Coach and Manager have a duty of care for the team players and may suggest you take no further part in training or games due to the nature and extent of the injury. This duty of care extends to your wellbeing —meaning that you are required to look after yourself.

In some cases, a Doctor's/Physiotherapist's certificate of clearance may be requested before allowing you to continue with your representative sessions or games.

Parents are requested to inform the Coach and Manager, if their child sustains an injury elsewhere, that may hinder the players performance at representative sessions (eg Club fixtures, home etc).

Bundaberg Touch will supply a stocked First Aid kit for the Rep team which the Team Managers shall be responsible for.

9.2 ILLNESS / MEDICAL PROBLEMS

A Player Medical form will be distributed to you, requesting details of any illnesses or medical problems you may suffer from, that you feel your Manager and Coach should be aware of. The Team Manager will hold this form, for the duration of the Representative season.

Please alert your Manager or Coach immediately should an illness or medical problem become evident.

QTF Conditions of Entry *may* require Proof of Age (Birth Certificate, Passport, School Id, Drivers License). Players/Parents will be required to demonstrate proof of age if requested.

Generally, the appropriate forms will be provided by your Team Manager. You must ensure that these get back to the Team Manager by the due date given.
